THANK YOU FOR YOUR SUPPORT

Why should I become a member of the Papineau Lake Community Association (PLCA)?

The Papineau Lake Community Association (PLCA) is a not-for-profit organization. The PLCA is dedicated to promoting responsible environmental stewardship, encouraging an active social atmosphere, monitoring and communicating changes which affect our lake community and providing and maintaining infrastructure to protect the physical and environmental integrity of Papineau Lake.

Your dues along with hundreds of volunteer hours help us to move forward on our key goals:

promoting responsible environmental stewardship and maintaining infrastructure to protect the physical and environmental integrity of Papineau Lake.

- We provide annual water quality testing
- We participate in the Lake Partner's programme to monitor lake health
- We continue to work towards educating our members on how to preserve our lake quality.

encouraging an active social atmosphere

- We host an annual general meeting.
- We organize the annual regatta, obtaining all liability insurance required.
- We organize a large raffle at the regatta to raise money for the association and area hospitals
- We host a meet and greet party, an annual lake social event

monitoring and communicating changes which affect our lake community

- We are active participants at municipal council meetings representing the interest of the Papineau Lake community
- We produce two newsletters and manage the associations website – Papineaulake.com
- We issue the association's annual financial statements
- We maintain a list of current lake residents to facilitate active communication on lake issues.

Please support PLCA with your annual membership and your participation in the community events.
